### Study Skills Help

**Statistics show students with better study methods and strategies score higher on their exams.**

#### Study Tips

- Review the material right after class
- Review the most important information first
- Find a quiet place to study
- Test yourself or have someone test you
- Do not study later than when you usually go to sleep
- Compare and study with a classmate
- Talk to your professor
- Go to the Academic Learning Center
- Do not try to memorize everything
- Use a calendar to keep yourself organized
