DEAR LEARNING COMMUNITY COUNSELOR

Dear Counselor: I'm in a learning community, but I'm not quite sure what that means. Please help.

Signed, *New LC Student*

Dear "New LC Student": I'm glad you're in a learning community! A learning community is a comprehensive program to help you succeed at UCC. As a participant, you have counselors who will help you with academic and career decisions, peer mentors to help you navigate through your first semester, professors who are friendly and approachable, tutors to help you with your classes, and librarians who will assist you with your research. Throughout the semester you will meet with them to help you get the most out of your UCC experience. Plus, you have the same classmates in two classes, so you have an opportunity to meet and make new friends!

BE RESPONSIBLE FOR YOUR SUCCESS!
