(A Student trying to a find a book in the library at the Elizabeth Campus)

The most important information can be found at the library located on the basement floor. The library gives you a lot of sources of information for yourself or your assignments. It's a place where you can focus on your academic work directly and have no distraction.

Facts

- **The First Year Seminar Book really help student with all these key point that we have giving to you to help you be a better student. By reading the book you will learn to plan ahead, manage your time, and also help you to make your own calendar.**
- **90% of student who use this book have success in there classes.**
- **You will be a better student by using these advice.**

Managing your time.

Plan your class schedule, as much as possible, so that your classes are consecutive. Studying every day is important and if you know when you are going to study you can plan around these times. Avoid AIM, MySpace and Face book because it cause lots of distraction. Avoid partying, and try to get a good night of sleep.
